Behavior Expectations:

The following behavior expectations are in effect at all events sponsored by Ela Township Youth Program. Individual staff and programs may develop more specific rules for youth.

- Everyone is entitled to a safe, secure, and orderly environment in which to learn and work.
- Student growth is dependent upon positive and successful experiences.
- Discipline is a shared responsibility: students and adults are both responsible for an orderly, safe and equitable learning environment.
- Actions are what we have chosen to do; actions are a product of choices.
- High expectations and courteous, respectful behavior, on the part of all.
- Foster a climate of achievement.

The same behavior expectations apply to all Ela Township Youth Programs as they apply in the Lake Zurich District 95 School Policy Handbook.

Dismissal:

Inappropriate behavior may result in your child(ren) suspension or withdrawal from the program. To ensure the safety and security of all children, if an emergency occurs that threatens the welfare of a child(ren), Ela Township Staff will contact a Parent/Guardians as needed. In the event, a child's behavior is disruptive, but does not require suspension or withdrawal of the program, the Youth Director will contact the parents and require that the child be supervised by a Parent/Guardian or older sibling at all Ela Youth Programs.

I am registering my child for Ela Township Thrive After Three. I have read, understand, and will comply with the rules outlined above. I understand that it is my responsibility to inform Ela Township Staff of any changes of information, particularly phone numbers and emergency contacts.
