How to Enter:

- Like the Ela Township Facebook page.
- Like the photo from the caption contest and post your comment captioning the photo.
- Your entry will only be counted if it appears on Ela Township's Facebook page newsfeed and is visible to the public.
- Your caption must be original and must not be obscene, profane, derogatory, defamatory, insulting, or otherwise degrading in any way. If so, it will be deleted.
- Ela Township will only consider the first caption you submit (based on the timestamp on Facebook).
- Ela Township employees and their immediate family members may like and comment on the photo, however, they are not eligible to win the contest or prize.
- The caption that receives the most "likes" overall is the winner. In the case of a tie, the Ela Township Communications Committee will vote to determine a winner. Only one winner will be selected per contest.
- The winner will be privately messaged on Facebook notifying them to retrieve their prize and have their picture taken with their prize at Ela Town Hall. Prizes may include, but are not limited to, a gift card from a local business or cash prize.
- The winner will be formally announced on the Ela Township Facebook page with a post including their picture with their prize and their caption.
- Winners must claim their prize within 5 business days of said notification. If the prize goes unclaimed, the next participant with the highest amount of "likes" will be awarded the prize and announced on Facebook as the winner of the contest.
