IMPORTANT INFORMATION

Ela Township is committed to operating its property in the safest manner possible and holds the safety of its Constituents in the highest possible regard. Participants in the parking program and parents authorizing their child(ren) for parking permits must recognize, however, that there can be an inherent risk of injury involving minor drivers. Ela Township continually strives to reduce such risks and insists that all users of Township property follow safety rules and instructions which have been designed to protect the users = safety.

Please recognize that Ela Township does not carry medical accident insurance for injuries for users of Township property. The cost of such would make the Township fees prohibitive. Therefore, each person applying for a parking permit should review their own health insurance policy for coverage. The absence of health insurance coverage does not make the Township automatically responsible for the payment of medical expenses. Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for Ela Township requires the execution of the following waiver and release. Thank you for your cooperation.

WAIVER AND RELEASE OF ALL CLAIMS

Please read this form carefully and be aware in registering your child or ward for participation in the Knigge Park parking permit program you will be waiving and releasing all claims for injuries you or your minor child/ward might sustain arising out of the program.

As a parent/guardian of a participant in the program, I recognize and acknowledge that there are certain risks of physical injury and I agree to assume the full risk of any injuries, (including death), damages or loss which I or my minor child/ward may sustain as a result of participating in any and all activities connected with or associated with such parking program.

I agree to waive and relinquish all claims I or my minor child/ward may have as a result of participating in the program against Ela Township and its officers, agents, servants and employees.

I do hereby fully release and discharge Ela Township and its officers, agents, servants, and employees from any and all claims from injuries, (including death), damage or loss which I or my minor child/ward may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the activities of the parking program.

I further agree to indemnify and hold harmless and defend Ela Township and its officers, agents, servants and employees from any and all claims resulting from injuries, (including death), damages and losses sustained by me or my minor child arising out of, connected with, or in any way associated with the activities of the parking program.

In the event of any emergency, I authorize Ela Township officials to secure from any licensed hospital, physician, and/or medical personnel any treatment deemed necessary for my minor child=s immediate care and agree that I will be responsible for the payment of any and all medical services rendered.

I have read and fully understand the above document, waiver and release of all claims and permission to secure treatment.
