Behavior Expectations:

The following behavior expectations are in effect at all events sponsored by the Ela Township Youth Department. Individual staff and programs may develop more specific rules for participants.

- Everyone is entitled to a safe, secure, and orderly environment in which to learn and work.
- Student growth is dependent upon positive and successful experiences.
- Discipline is a shared responsibility: students and adults are both responsible for an orderly, safe and equitable learning environment.
- Actions are what we have chosen to do; actions are a product of choices.
- High expectations and courteous, respectful behavior, on the part of all.
- Foster a climate of achievement.

In addition to the behavior expectations listed above, the same behavior expectations apply to all Ela Township Youth Department Programs as they do in the Lake Zurich District 95 School Policy Handbook.

Program Suspension/Withdrawal:

Inappropriate behavior may result in your child's suspension or withdrawal from the program. To ensure the safety and security of all children, if an emergency occurs that threatens the welfare of a child, Ela Township Youth Department Staff will contact a Parent/Guardian as needed. In the event that a child's behavior is disruptive, but does not require suspension or withdrawal from the program, an Ela Township Youth Department Staff will contact the parents and require that the child be supervised by a Parent/Guardian.
